THE CLASS OF '28

Senior Class History

What! You don't recognize us? We are one of the best classes in old E. H. S. The class of 1928. Come "Chid" (I believe you are the leader of these travelers). Won't you tell us the story of your adventure?

But since "Chid" and the other leaders are too modest, I suppose I must tell it.

Our class was one of the largest that ever came up to High School, having one hundred and fifty-one green freshmen in its lists.

In our first journey Mabel led us and during that journey we had quite a few narrow escapes, due to certain mountains, such as Mt. Algebra and Mt. Latin. But we overcame these and became full pledged Sophomores and began the second year of our journey.

On our second journey we had more mountains and were they steep? They certainly were. We had "Chid" for our leader that year. Our Sophomore Class had the best athletes in high school.

Our Junior year we journeyed under "Bob" Mindrup. Our class gave the Seniors one of the best banquets ever given in high school. Although we had splendid guides during this trip the path was considerably "over our heads" most of the time.

Although our fourth trip was one steep and continuous ascent, a greater part of the course was given over to athletics, where several made themselves prominent. We also had some time for the Social Side-trips. Our last journey seemed entirely too short for most of us. Our goal has been reached, but are we satisfied to stop here? What is that out in the dim future————?

Junior Class History

"Ah, there's the new Junior. Let's go over and talk to her; I'll bet she feels sorta' out of place. I know I would if I were new here.

"Are you the new Junior? We're awfully glad you're in our class. Do you want to go around and see the rest of the bunch? How do you like our school? We certainly were lucky cause we came into high school the year this new building was finished, so we never were any greener than the other classes. Come on down to the end of the hall, and we'll show you our class sponsor. I don't suppose we'll get to talk to her tho' cause she is always *so* busy! Just as I thought! Oh, well, we can bring you in here some other time.

"Wait a minute, Lucille! That's Lucille Miller. All the men teachers stay at her house, and you can get all the low-down on them from her—that is, if she'll tell.

"See those two boys. They're our cheer leaders, Bud and Bob. I guess they're going to see Mr. Smith about a pep-meeting. They're both Juniors. Bud was our Freshman president, too.

"Oh, there's Jo Burroughs—you ought to hear that girl talk! I think she and Muriel Schmollinger must run races to see who can talk the most—at least they're always trying to out do each other.

"Here comes Rass and Henry Eaton. They are the silliest things! I guess Henry will be a lawyer cause he just loves to argue. There's nothing else for Rass to be except a traveling salesman—he's always telling jokes. He was the president of our class last year.

"Hi, Annie—that's Marie Baird—she hates to be called Annie, so we all call her that. She's another Rip—half the time when you're talking to her she's thinking about something else. Maybe she's pining away for one of our classmen who moved to Boston—we haven't found out the real reason.

"Oh, there's Ben Richards—I imagine you'll like him. Some girls do, and I think he's sorta' nice. Here comes Pijo Semon behind him—he's the baby of the class. Cute, isn't he? That boy over there in the corner is Dale Schneider; he's president this year. He has that black slicky hair, too.

"Oh, heck! there's the bell, and we wanted to show you lots more kids. Oh, well, we'll see you after school and tell you some more about the class. So long!

Sophomore Class History

Behold, we are the high and mighty Sophs! We came back to school in the fall feeling quite important because we knew the school simply could not get along without us. Last year we were not so sure of ourselves, but in November the four one-act plays were given. Our class received the prize! After that we carried our heads higher and felt we could do almost anything.

At the very first we set out to do something big and we feel we have more than accomplished it.

In almost every organization we are well represented. But we must say we feel very sorry for the few clubs who are not up to that standard.

We will admit that, at times, the Juniors and Seniors are of some trivial value to the school. We have also learned to tolerate the Freshmen, for it is not, as yet, in our power to abolish them. We remember, too, that time long ago when we were in that semi-barbaric stage.

What would the school do without the Sophomores? Who would furnish the amount of pep which is necessary to make all the activities of the school a success? How could our athletes go on to victory without the support of that cheering crowd—the Sophomores? And last, but not least, who would tell the Freshmen that there is no elevator, but that they must use the stair?

In conclusion, we wish you to examine very carefully the accompanying artistic reproduction of the Sophomore class. You will see there the making of the mighty Seniors of '30. It grieves us to think that our pictures must be third, preceded by the Juniors and Seniors in order, but we are thinking of that day when Time—who alone can right such wrongs—will place us at last at the head of the list.

Freshman Class History

We Freshmen joined the ranks of E. H. S. in the memorable month and year of September, 1927. The entire school greeted us—with jeers and giggles. But we stood our ground, and we are now honored by each and every one (with the exception of the Sophomores, Juniors and Seniors).

On that never-to-be-forgotten first day of school we bravely started from home at 7:30 so we'd be sure to get here on time. We did—and had a nice little wait of about thirty minutes with nothing to do but stand around and twiddle our thumbs. That was then, but now most of us are doing well to be here on time.

When the 8:40 signal rang we nearly jumped out of our wits. We had never heard such a sonorous bell in all our lives. We were used only to dainty, tinkling bells. That signal sounded more like a cow-bell to us. But we did what everyone else did—followed the Seniors.

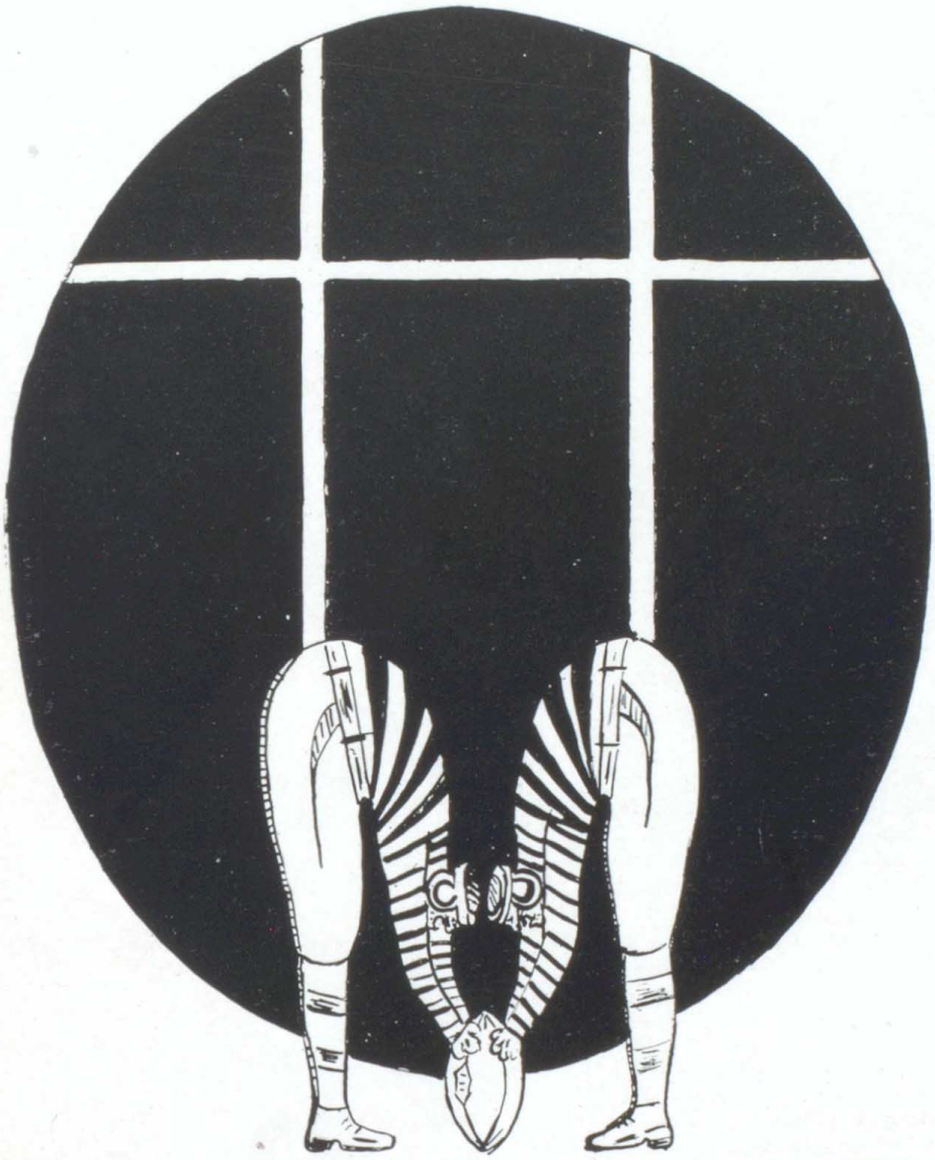
The next thing we knew, we were being whizzed about to our class rooms to get our assignments and book-lists. Some of us went up the hall, and some went down; most of us went upstairs when we should have gone down. But we did, finally, all get there just when the passing bells rang.

The next day we were cramming our brains with Latin and Algebra and wondering what it was all about.

But several days later we caught on to the system of things, and then we held our noses in the air and let the Sophs laugh at us. But, as you ought to know, the Sophomores were the only ones who really laugh now, because they are so proud they are no longer Freshies. But they don't know what they miss. They are but a measly bunch, and we Freshies have the honor of being the largest class to come up for a long, yes, a very, very long time.

We have many shining lights in our class. We could never get along without our artists, our singers, our dancers, our musicians, and, last, but not least by any means, our sheiks and flappers, and they are many.

And so we will see you in the next issue of the Tiger, as you know our history now, but not as Freshies—as Sophomores. I'll wager, however, most of us would like to remain Freshies.



ATHLETICS

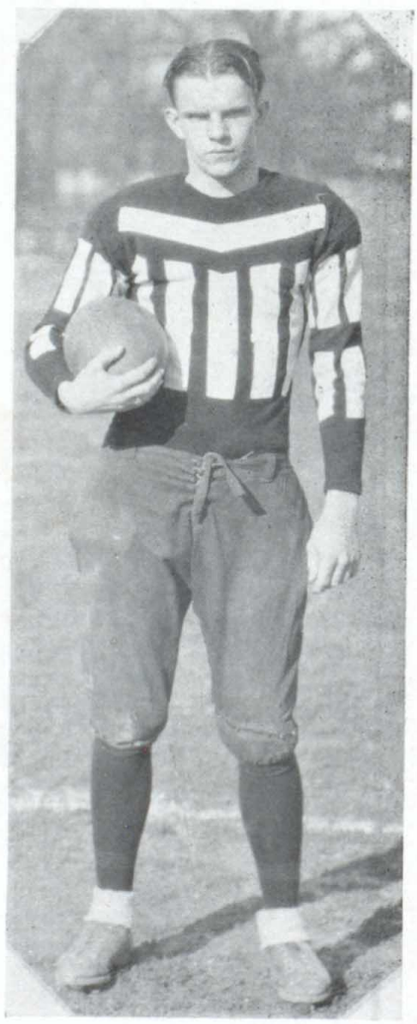
Coach Blodgett

Coach Blodgett, who is completing his fourth year as Athletic Director in Edwardsville High School, has proved to be the best cup winner it ever had. Before he came here we were poorly represented in athletics with but a few exceptions.

Since he has come he has stimulated a greater interest in all athletics and the number of candidates for the teams more than doubles the number before his services began at E. H. S.

He made quite a reputation while in college, being an all-round athlete at Shurtleff College. He was a four-letter man, having won positions on their football, basketball, baseball and track teams. He was the captain of their basketball team.

A new trophy case has been necessary since he came here. Prior to 1925 they had about two or three small cups, but after he became coach it was a different story. In 1926 the Tigers won the Conference Championship in football and basketball, and won the distance medley for the Southwestern Conference in the Granite City relays. We also won second in the Conference track meet and the District basketball tournament. In 1927 they again won the championship in football and also in track. This year it looks as if the track team may repeat itself, and these victories are largely due to Coach Blodget's directing



General Review

The Orange and Black enjoyed a successful year in their athletic department during the 1927-28 season. Although they were not the Conference Champions in every sport, nevertheless they served as very keen competition to all their athletic rivals.

During the football season, in the fall of the year 1927, they finished in a deadlock for second honors in the Southwestern Illinois Conference with Coach Bozarth's men from Granite City. In conference games they easily vanquished all their opponents with the exception of the Granite City team and the powerful East Siders. The latter team were the undefeated champs of the Conference and the only team to defeat the Tigers. In the contest with Granite on Turkey Day the game resulted in a 6-6 tie and tied the teams for second place. Two of our members, Bert Young and Ed. Snajdr, received positions on the All-Conference team. Young was placed at quarterback and Snajdr at tackle. This was Young's second year to receive this honor, and as Snajdr, who is only a Junior, will be back again next year, he can make a bid for the place again. He has been elected captain for the next grid season. Marvin Baird, Isaac Sharp and Captain Heidinger were also honored by the judges.

※ ※ ※

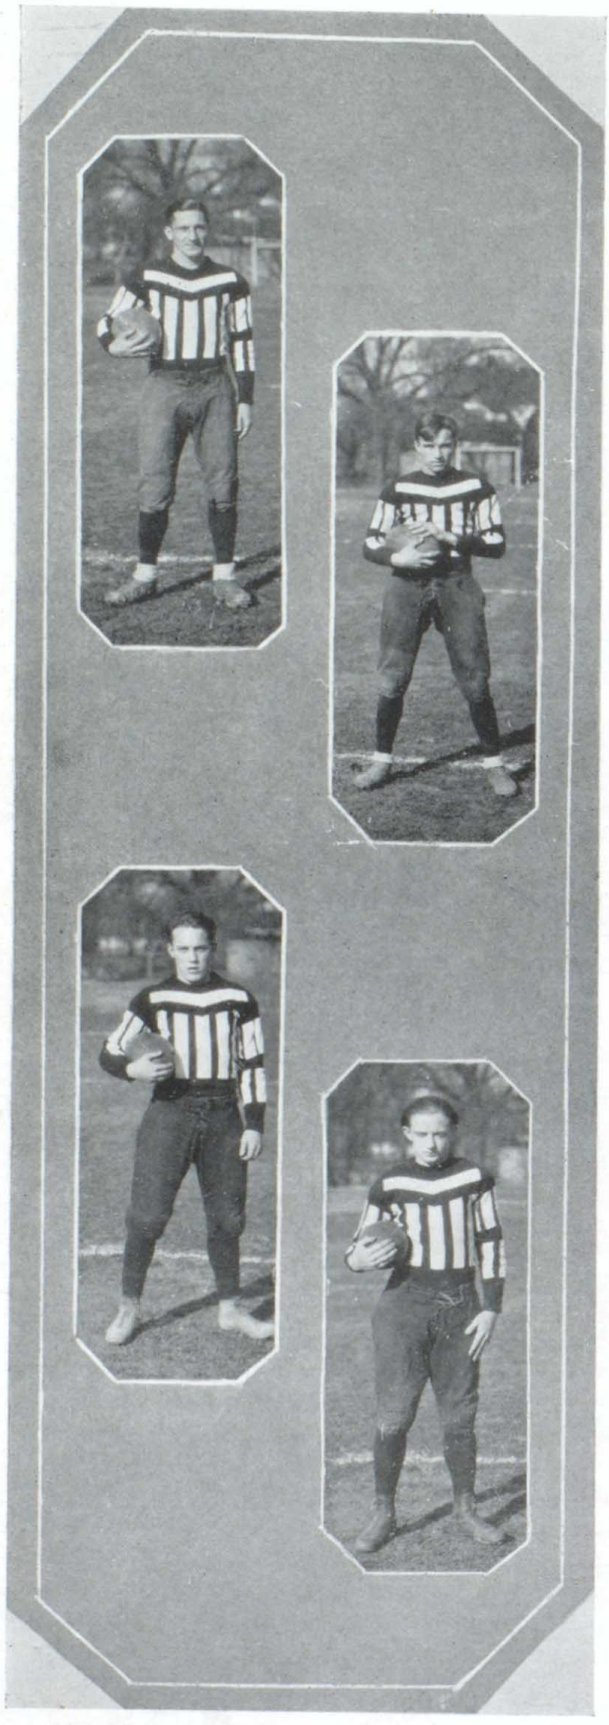
Although the Tiger cagers did not make any remarkable record in that game, they made every team go to the limit of their ability in order to conquer them. In only one contest were the Bengals surpassed by more than a ten-point margin, and in the majority of games the difference in scores did not exceed five points. Collinsville, who won the Conference Championship, beat us by only four points in the final game of the season. Captain Young was awarded a place at left forward on the All-Conference team, and Eddie Cassens was given honorable mention at guard.

※ ※ ※

In the game of tennis, which is becoming more and more popular in E. H. S., our players did well, considering the length of time it has been considered one of the major sports here. They played better than the average teams in the Conference, and our doubles team smashed a victory over our ancient rivals, the Collinsville Kahoks. They were three lettermen, all of whom return this year. They were Dale Schneider and Evans Reilly in the doubles, and James Phelan, who plays in the singles.

※ ※ ※

Track was the sport in which the Bengals ranked highest in the Conference. Not until the tape was broken in the last event of the meet had any team clinched the championship. Besides winning the Conference Championship, they copped first place in the Granite City Relay Carnival, to bring home four more cups to reside in the trophy cabinet. Four members of the team won first places in the Conference meet. Captain Young, who was high-point man in the meet, took first place in the quarter mile and second in the 220-yard dash and broad jump. Eddie Cassens and Leroy Loewen tied for first in the pole vault and Emil Marburger smashed the Conference record in the shot put. Chid Gerhardt, who won second place in the mile, is the only one who will not wear our colors this year. With this bunch of veterans and a bunch of new material it looks as though the championship may come to Edwardsville for another year.



Staunton 47—Tigers 0 Oct 2

The Tiger grid season opened with a contest with the heavy Staunton eleven. The Orange and Black found their opponents too heavy and were completely out-classed. Staunton started by rushing the ball across for a touchdown and had six of them at the half and led 40-0. The Tigers came back, however, with the determination to stop them and both teams were held scoreless during the third quarter. Staunton, however, succeeded in pushing another touchdown over for a final score of 47-0.

Litchfield 19—Tigers 18 Oct. 8

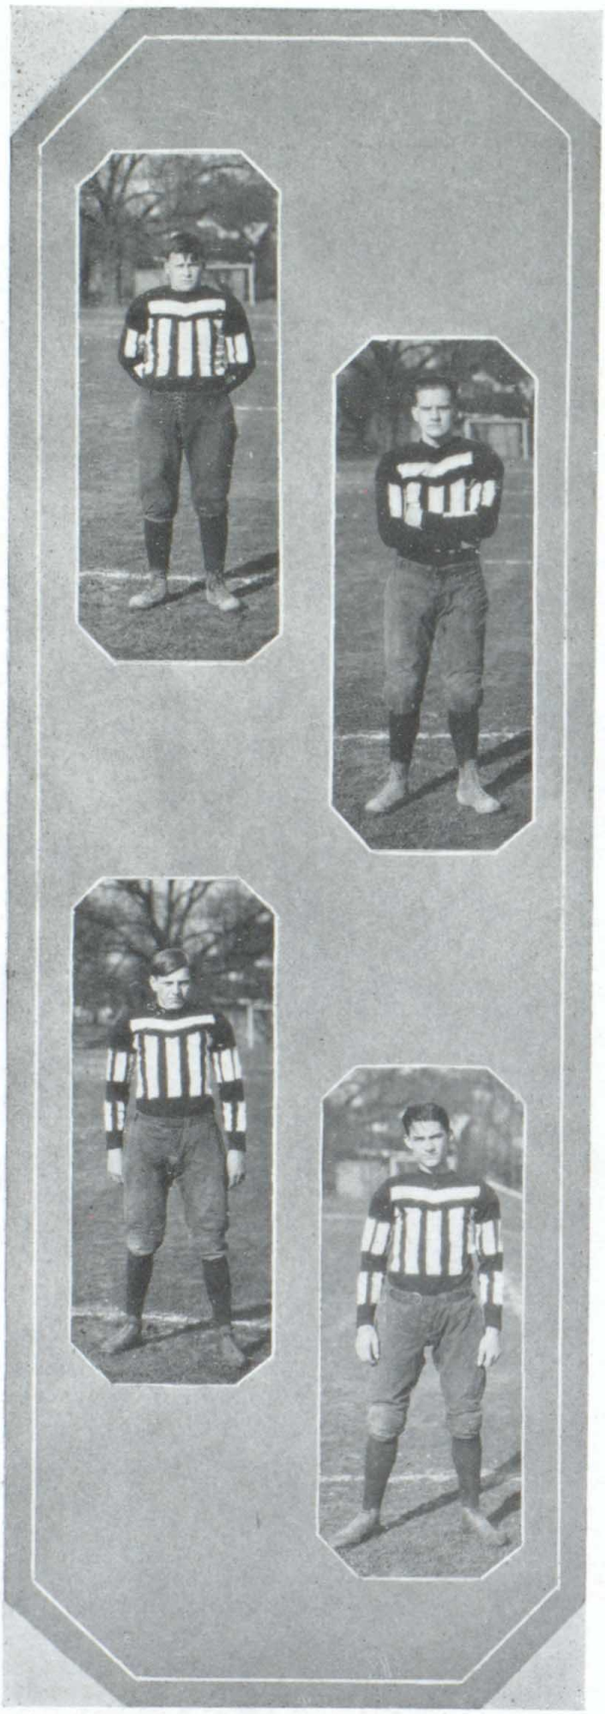
Our first home game came against the Purple and White squad of Litchfield. The game was interesting and wasn't decided until the final whistle blew. Litchfield started with a touchdown on a fluke pass and Heidinger evened it up a few minutes later by a touchdown for us. Litchfield put over two more in the first half, one on an intercepted pass, another on a Tiger fumble, ending the half 19-6. In the last half, touchdowns by Young and Sooy brought us within one point of their score, but it was as far as we could get, and the final score was 19-18 in their favor.

Wood River 0—Tigers 6 Oct. 15

The first conference game was with Wood River in our own back yard. The Tigers, without the services of Bert Young, who received a broken nose in the Litchfield game, did not play at top form and won by a single touchdown. Our touchdown came early in the first quarter and that ended the scoring for the day. The teams see-sawed back and forth during the last three quarters, the final score being 6-0.

Jerseyville 6—Tigers 43 Oct. 22

The Tigers met and easily defeated the Jersey Township squad in our second conference contest by a score of 43-6. The game was a walk-away affair for the Tigers from start to finish. Jerseyville made their only touchdown by an intercepted pass on a kickoff. The playing of Young, who returned a Jerseyville punt 80 yards for a touchdown, and Reilly, on the receiving end of two forward passes for touchdowns, featured the game. Berleman and Captain Heidinger also made touchdowns, and the final score was 43-6 in our favor.



E. St. Louis 12—Tigers 2 Oct. 29

Our first conference defeat came at the hands of the powerful East Side outfit. The game, however, was hard fought, but East St. Louis proved too strong for the Tigers. They put up a stubborn defense and the Tiger backfield could make no progress. They succeeded in scoring once in the second quarter and led 6-0 at the half. Neither team scored in the third quarter, but in the last East Side slipped one over on a pass and the Tigers registered a safety against them, bringing the final score to a 12-2 count.

Alton 0—Tigers 7 Nov. 4

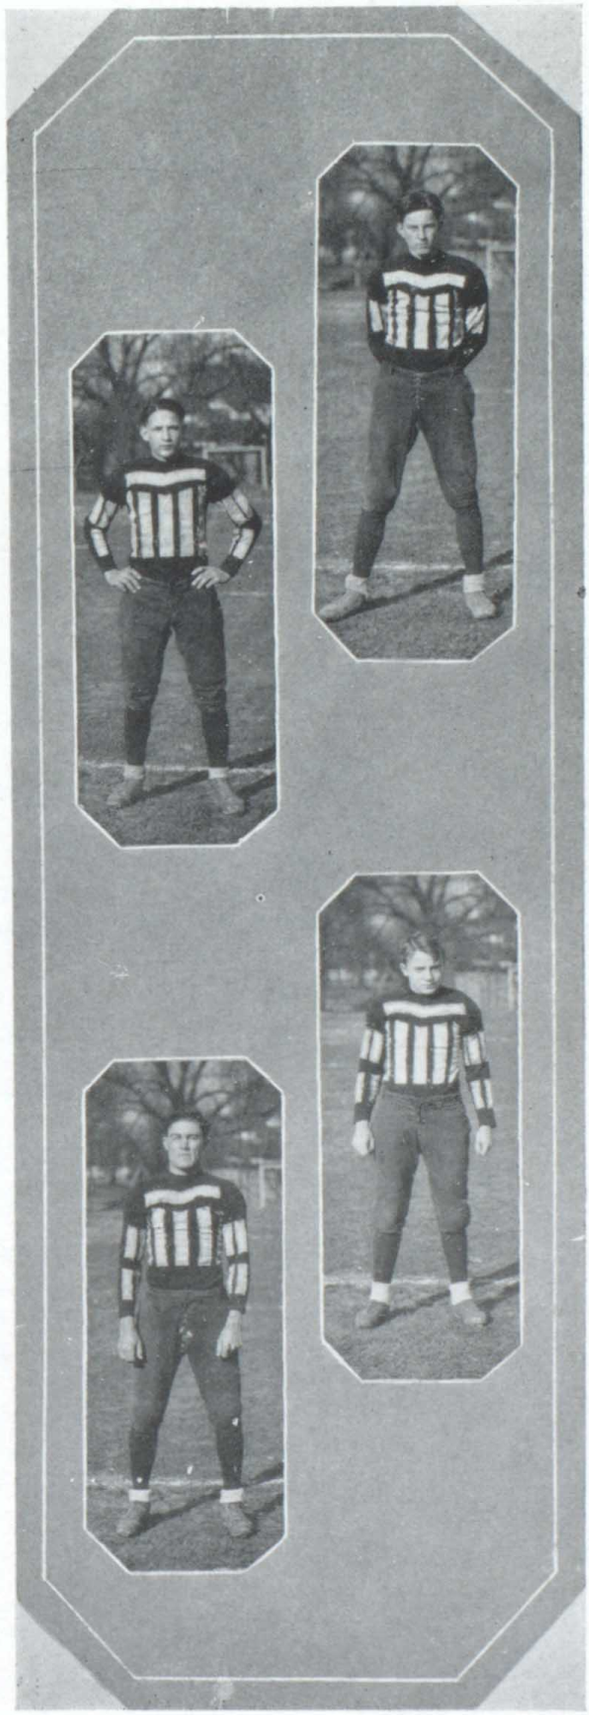
To avenge their defeat at East St. Louis the Tigers decided that this game belonged to them and Alton unfortunately had to be our victims. The weather conditions were not favorable during this game and the teams could not pile up large scores. The Tigers scored early in the first quarter when "Doc" crossed the Alton goal line and Young kicked goal for the extra point. The wind was very strong and the Tigers were unable to use their aerial attack effectively. The playing was about even in the last three quarters, and the final score was 7-0.

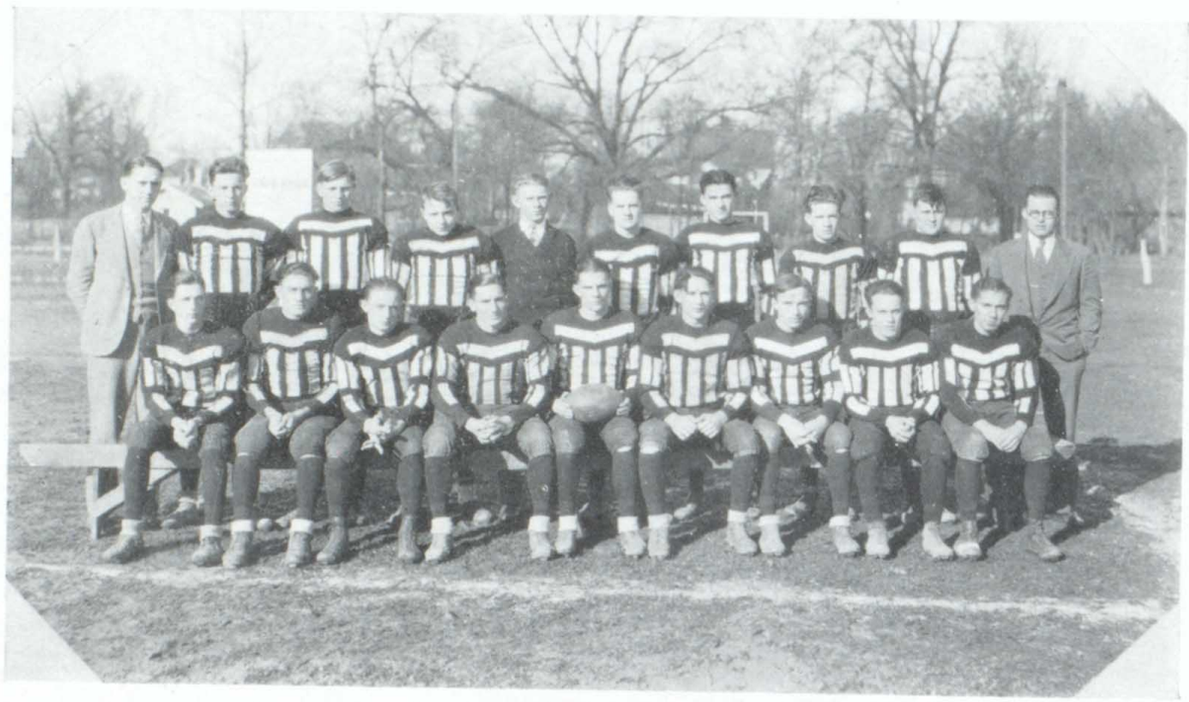
Collinsville 0—Tigers 8 Nov. 11

Our annual Armistice Day game with the Kahoks proved to be our third consecutive victory over them. The game was a scrap, as it had been predicted, and the game wasn't decided until the gun barked, although the Tigers did the greater ground gaining. Neither team scored in the first quarter, but in the second Bert shoved the pigskin across the Kahoks goal line for a touchdown. The attempt for the extra point failed. At the beginning of the half a heavy downpour of rain made the field a sea of mud and water. This caused the last half to be largely a punting duel. The Tigers scored two more points when a safety was registered on a bad pass from center. This ended the scoring, leaving the finals Tigers 8—Kahoks 0.

Belleville 13—Tigers 20 Nov. 16

We seemed to have picked up a jinx on the way to Belleville, for the team wasn't itself after the first quarter. We won by a single touchdown, the final score being 20-13. The Tigers started with a rush, pushing over two touchdowns scored by Bert and Doc, and Bert kicked goal after each, giving us a 14-0 lead. During the last few minutes of the first half a Belleville back made a long run for a touchdown, the half ending 14-6. At the start of the second half Belleville again crossed our goal line and kicked goal, leaving us ahead by a single point. Doc pushed the ball over once more for us, leaving the final score 20-13.





Granite 6—Tigers 6

Nov. 24

The final scrap of the season came with the Granite City warriors on Turkey Day, and a scrap it was. This was probably the best game of the season and it ended in a 6-6 tie. There were fourteen men on the squad playing their last game for E. H. S. and second place in the Conference rating was at stake. The playing during the first two quarters was even, neither team, however, was able to do its best because of the muddy field. No scoring, therefore, was done in the first half. The third quarter was a repetition of the first two and neither team scored. With three minutes of the game left to play, Davis, the fleet Granite halfback, scooped up a fumble and ran thirty yards for a touchdown. The attempt for the extra point failed. The score now stood 6-0 against us and it seemed that it was too bad for the home boys, but the Bengal fighting spirit was aroused. Granite tried to work a short kick-off, but the ball was received by a Tiger player. The E. H. S. aerial attack was then used. A pass, Young to Heidinger, netted ten yards, then Cassens, our quarterback, grabbed a pass, dodged three tacklers, and galloped across the goal line for a touchdown. The attempt to kick goal went wide, and the game ended in a 6-6 deadlock.

Livingston (Here)

The Tiger basketeers opened their '27-'28 cage season by trouncing our upstate rivals, Livingston, to the tune of 28-12. The Tigers were masters through the whole game. Ahrens led the locals in scoring, making ten points. This was not a conference game and did not boost or lower our standing there.

Mt. Olive (There)

The Orange and Black journeyed to Mt. Olive and met the Huskies of that school in our second practice game. This game did not prove to be as easy going, although the team did not play at top form, for they were defeated 18-9. Our warriors seemed unable to hit the loop and thus the low score resulted.

East St. Louis (There)

The first Conference game was with the East Siders, in their own gym. The game was very close after the first quarter and the Tigers rallied in the latter part of the game and fell short one point of bringing home the bacon. Trailing by an 8-3 score at the end of the initial period the Tigers wore down the opponents lead only to be nosed out in the final minute of play, leaving the final score 19-18.

Belleville (Here)

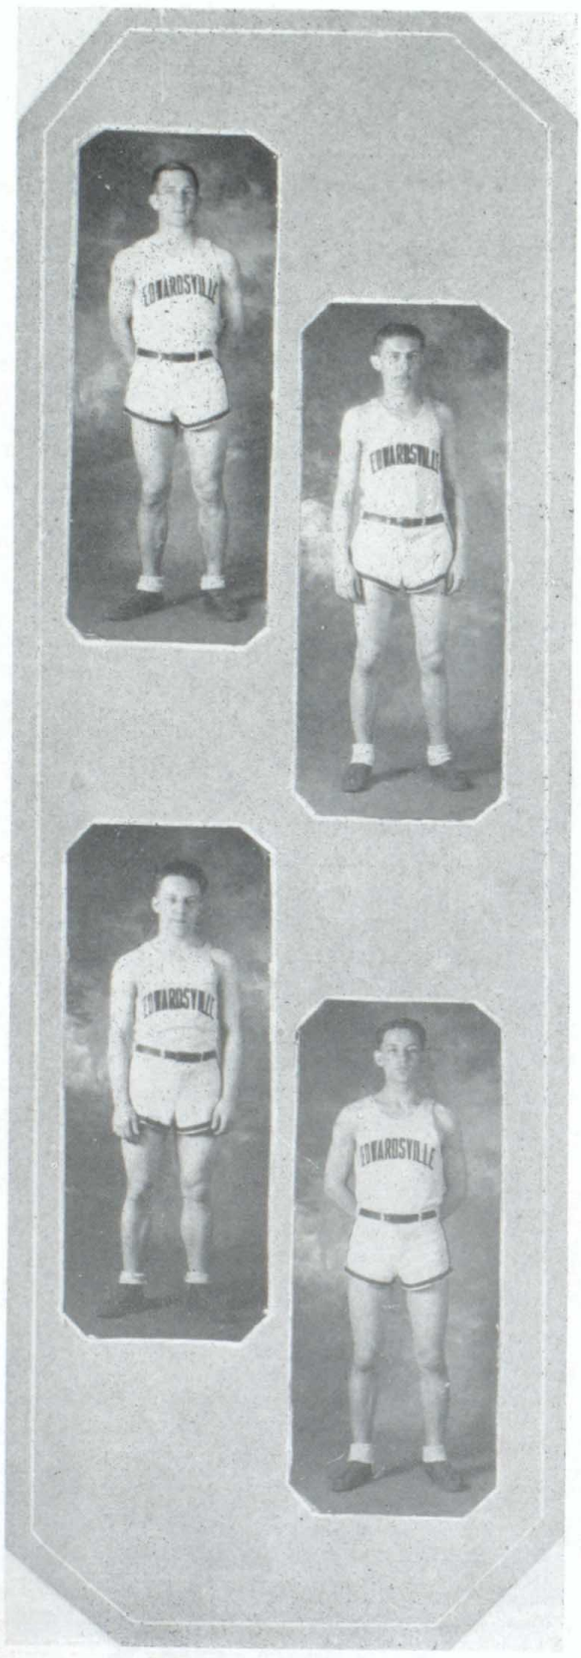
The first Conference game played in the home town was a match against Belleville's "Flying Du chmen." The game was interesting throughout, and it was only in the last quarter that the Dutch put on a spurt that copped the honors for them. Leading by two points at the end of the third quarter they drew away, winning by a 22-14 count.

Alumni (Here)

The Bengals engaged in a contest with their elders, the E. H. S. Alumni, during the Christmas holidays and were defeated 35-28. The Alumni's team was composed of four members of our 1926 Conference champions, with Bert the only one missing. He played a good game for the Tigers, made sixteen points, and was surpassed only by "Boll" Buckley, who registered seventeen. This game, too, was won only in the last quarter, and it was the first time in three years that the Alumni had been victors.

Wood River (There)

Our cagers traveled to the Sandy City, there to engage in a contest with their Oilers. It was a fairly good game, but it also proved disastrous to us, as we received the slim side of a 19-13 score. The Oilers led during the entire contest, but did not exceed our playing as much as the score would indicate. What we waited for was the return game.



Granite City (Here)

The Tiny Tuffs came here to fill an engagement and were defeated in one of the best games played on the local floor. They were doped to trim the Tigers, but the Bengals turned tables and upset the dope. This game was our first victory in a Conference game. With but five seconds to play, the score 15-14 against us, and Bert Young out on fouls, "Dead Shot" Berleman caged a looper from the side line, giving us a 16-15 victory. To add to the excitement the gun would not fire and Mr. Krumsiek was forced to give the fans an exhibition of the proper way to run the 100-yard dash and make a flying tackle in informing the referee that the time was up.

Jerseyville (Here)

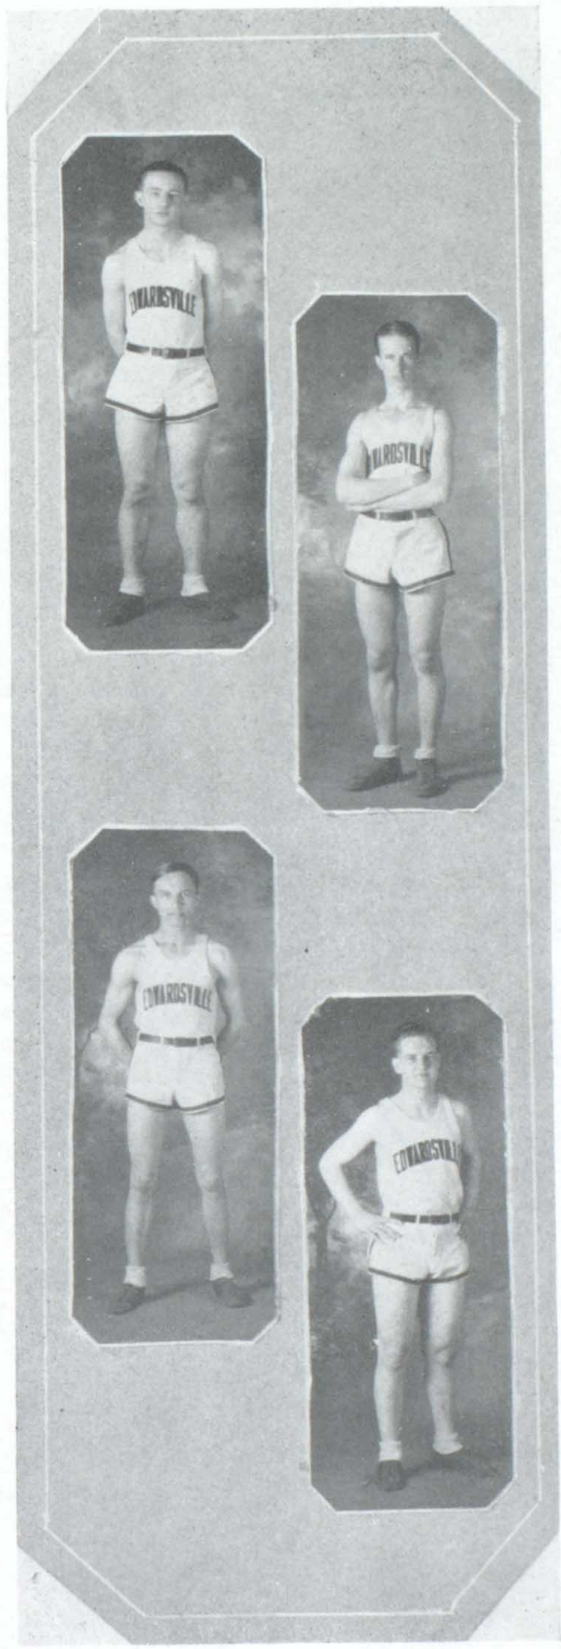
Our next game was played against the Jersey County squad and they proved easy prey for the Tigers, despite the fact that their right guard was a member of the dark race. The game served mainly as a means of the Tiger players improving their scoring records. This was true especially for Bert, for whom an adding machine was installed to keep track of his points. It was the second victory for the local aggregation and the sixth straight defeat for the Jerseyites.

Alton (There)

After winning the game at Granite the Tigers thought that Alton would also fall victims to them. The Red and Gray gave them a jolt, however, by carrying off the contest by a 27-19 score. The Millermen took revenge for their defeat at our hands in football and decided that it was their turn to do something. This game ran as most of our others, the playing being even for about three quarters and then the opponents rallying to win by eight points.

Collinsville (There)

Coach Blodgett's Tigers went to Collinsville the following Saturday to do battle with Coach Larson's Kahoks, our old rivals. The Kahoks were leading the Conference and doped to crush the Bengal outfit. It was a great surprise, therefore, to find the Tigers leading 20-16 as the final frame opened. The Kahoks, by three field goals, forged ahead, but Bert knotted the count with a long one. Five more baskets gave the contest to the Kahoks, leaving the score 32-22, but they had to work for it.



Livingston (There)

Our first return game was with the Purple and Yellow squad at Livingston, and it was another victory for us. The game was slow, however, and poorly played. The final score was 15-13, but should have been a great deal larger had we been going at our natural stride.

East St. Louis (Here)

East Side came here the last day of our first semester for their return game. They had beaten us by one point in the previous game and the Tigers wanted to avenge this defeat. The best we could do was to come within five points of them. The addition of a new player had strengthened them and we lost out 28-23. This game marked the passing of "Chid" Gerhardt and "Lenny" Berleman from our ranks. The team lost a stellar guard and forward in their departure.

Belleville (There)

Our return game with the Dutch proved to be almost identical to the first. The teams played evenly for three quarters and were nosed out in the final period by a 22-14 count, this being the score in the first game also. The services of Lenny and Chid were also missed in this game, and the score would doubtless have been different if they had taken part.

Wood River (Here)

The Oilers invaded our peaceful city and this time we took out our revenge on them by defeating them in a game which rivaled the Granite game for excitement. An overtime period was necessary. The score was tied at 25-25 at the end of the game, so an extra three minutes were played. To start it, Bert dropped in a close-in shot and then Cassens sank a long one from center. An Oiler dropped one in then and this ended the scoring for the evening, the score being 29-27 in our favor.

Granite City (There)

The Young-less Tigers were defeated by the Bozarth crew in a game nearly as exciting as their first meeting. Without the services of their captain, the new offensive combination could not work very harmoniously from lack of practice. The fans got their money's worth, however, for the Bengal outfit put up a real scrap. Again in this battle an overtime period was necessary to determine the victor. The score was knotted at 23—all when the gun delivered its fourth bark, so an extra three minutes were played. This proved to be all that the Tiny Tuffs needed to cop the contest, for they sank two loopers and dropped one charity toss to clinch the heavy end of the 28-23 score.

Alton (Here)

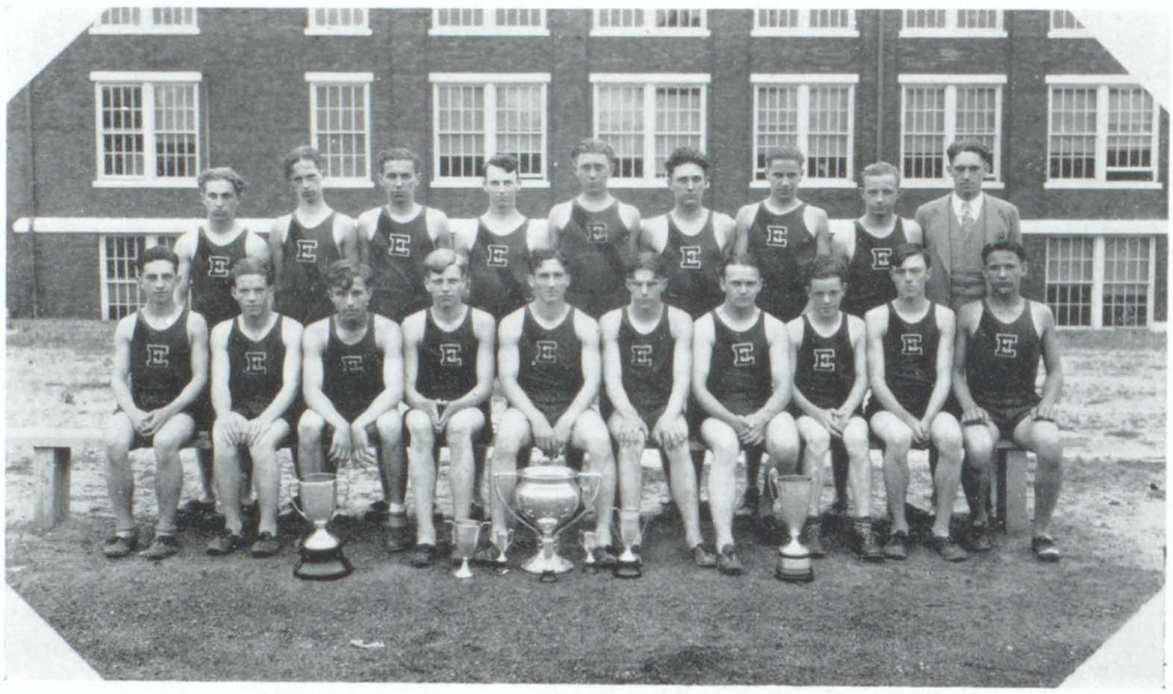
The fightin' Orange and Black met the Millermen in what was doped out to be "duck soup" for the Red and Gray. Alton had won the Madison County Tournament and were big favorites to win. The Bengals would give them nothing which they did not work for and the result was that Alton won, after a heated battle, by a score of 15-13. The tight defenses of both teams featured the contest, as the small score indicates. Neither team made many close-in shots, the majority being in the vicinity of the free-throw line.

Jerseyville (There)

The Tigers again met and easily defeated the Jersey County basketeers in a more one-sided game than their first meeting turned out to be. The final score was 55-15 and proved to be a means of Bert and Ahrens' fattening their scoring records. The Tigers were masters through the whole game and the Jays never threatened them.

Collinsville (Here)

Our final Conference game was with our old rivals, the Collinsville Kahoks. A scrap between these two aggregations always draws a crowd and the gym was packed. To top things all off, the referee's machine "did not choose to run", and so after frantic efforts to find another official were of no avail, our own Mr. Gunn consented to take the job. The game was a scrap from start to finish. Neither team scored a point during the first quarter, and at the end of the half it stood 8-6 in the Kahok's favor. The lead continually changed hands, and in the final quarter the Bengals were nosed out 21-17. This was the last Conference game of a season that proved to be a success in many ways.



Track '27

The E. H. S. track team of 1927 was by far the greatest team the school has ever produced in this sport. There were only two meets that the team entered in which it did not take first place. Its two greatest victories were the winning the Granite City Relays and the championship of the Southwestern Conference.

This year's team should be as successful, if not more so than last year's, for there is but one man who scored any points in the Conference meet who will not represent the Orange and Black in 1928; this ought to assure us a high place in the Conference meet.

There were quite a few first places won by Tigers during the year. Bert Young, who this year captains the Bengals for the third time, was undefeated in the quarter mile all season. "Chid" Gerhardt, who was off form in the Conference meet, won five firsts and two seconds in the mile, and four firsts in the half. Eddie Cassens and Leroy Loewen tied for first in the pole vault, both equaling the Conference record. Other men who won firsts during the year were: Bohm, Arnold Cassens, Wilharm and Berleman. A summary of the season is as follows:

COLLINSVILLE—E. H. S. April 16

The Tigers and Kahoks met in a dual meet on our field, where the Orange and Black avenged the defeat in basketball by Collinsville. The Bengal sprinters, distance men, and field men piled up a total of 80 points to Collinsville's 33. Collinsville won only three firsts to Edwardsville's ten. The Conference shot put record was broken by Marburger.

Track '27

GRANITE CITY RELAYS — April 23

Our second victory of the track season was our winning of the Granite City Relay Carnival. We beat out Carlyle, our closest rival, by seven points, the score being 38-31. We won first place in three relay races and placed in two more. By winning the meet the team received the Friedman Challenge Cup and three smaller cups, one for each first place.

McKENDREE MEET — April 30

We attended the McKendree Inter-Scholastic meet again in 1927, but we did not rank first this time. Only one first place was won, Captain Young out-running his competitors in the quarter mile. The team made a total of ten points and finished tied for fifth.

QUADRANGULAR MEET — May 7

The second annual quadrangular meet between Alton, Granite City, Wood River, and E. H. S. was won for the second consecutive time by the Tigers. They piled up a total of 57½ points. Wood River was second with 26½, Granite City third with 15 and Alton brought up the rear with 14. The Bengal crew won ten first places, Wood River one, Granite one and Wood River and Alton were tied for the initial place in another.

DISTRICT MEET — May 14

The Southwestern District meet was held in Granite on May 14 and was our last defeat of the season. It was also the only meet in which the Tigers did not win a first place. Young, who did not run the quarter mile, but instead ran the 100 and 220 yard dashes, won second and third respectively in these events. Gerhardt was barely nosed out of first place in the mile by "Tuffy" Middletown of Salem, the holder of the District record. The team made a total of seven points and ranked fifth in the meet.

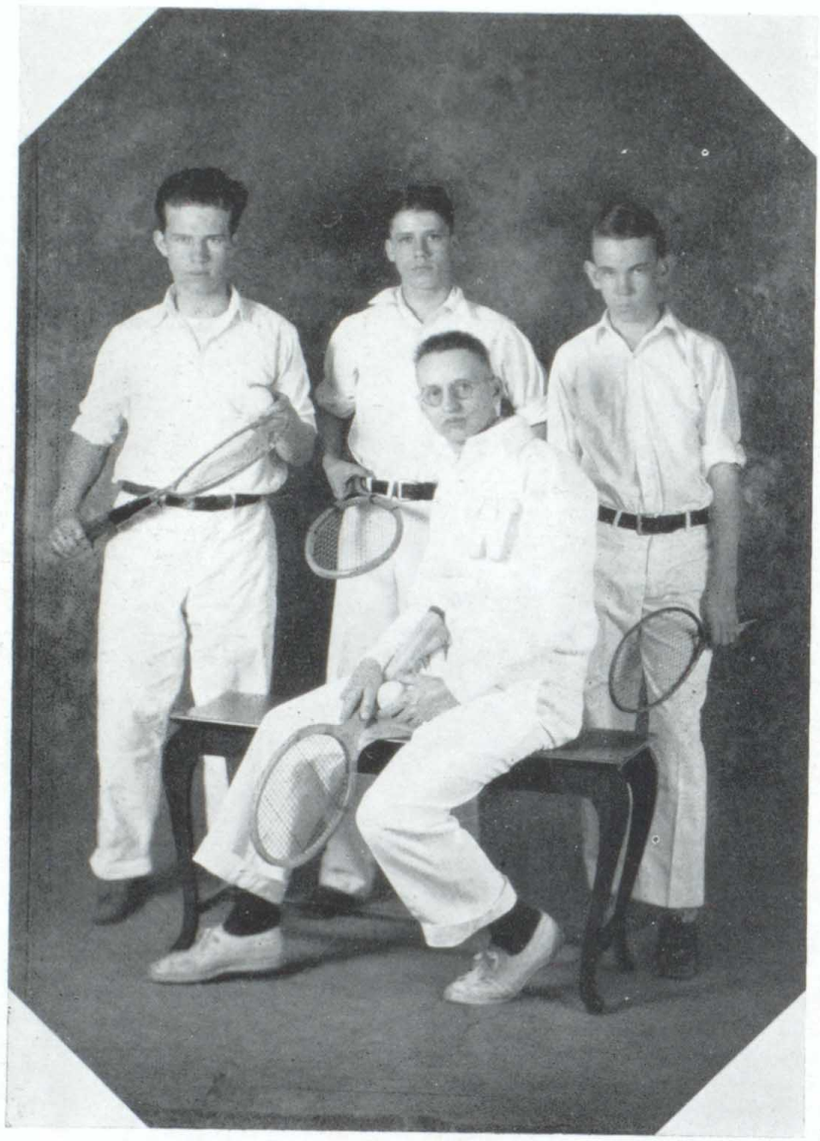
WOOD RIVER—E. H. S. — May 21

Our other dual meet was with the Wood River Oilers. With the absence of Gerhardt from our ranks the team defeated them by only eleven points, the score being 62 to 51. The Bengals took seven firsts, Wood River took five, and the high jump resulted in a tie.

CONFERENCE MEET — May 28

In the closest Conference meet since this annual affair was originated, the Blodgetmen nosed out the other teams of the Conference meet. In doing so the Tigers nosed out the speedy East Side aggregation by two-thirds of a point. The final count was 29 2/3 to 30 1/3.

At the close of the meet it was announced that East Side had copped the meet, but a mistake had been made in the scoring and was not discovered until the next day. First places were won by Young, E. Cassens, Marburger and Loewen.



Tennis '27

Our tennis season opened with the Alton Mountaineers invading our courts and taking both the singles and doubles from the Tigers net representatives. The doubles team gave them a hard fight before losing. Next came Belleville's Flying Dutchmen, who turned the trick in the singles, but our fighting Tigers gave the doubles team something which they will remember. Our third contest was with the East Side Packers. Their experience and our lack of experience played a large part in the Orange and Black's double defeat. Old Man Jinx still clung to our heels as we took on our next rivals, Granite City's Tiny Tuffs. It was the same old story as the East Side affair, and we dropped a pair of matches to them. Wood River came to fill their net engagement with the Tigers and unfortunately hit us just as we broke out of our slump, and, therefore, the Bengals being in top form, we slipped them a double defeat with ease. The most exciting match in which E. H. S. was represented was with the Collinsville Kahoks. After "Jadda" Gillaspy had defeated our own "Spike" Reilly in the singles, their doubles team thought they could repeat the victory, but the Tigers smashed out a brilliant victory. Our Conference season closed with a match with Jerseyville. It resulted the same way in which the Wood River affair did, the Tigers taking both singles and doubles. Thus ended the regular conference schedule. Wood River, however, thought they could trim us and challenged us to a past-season match, but we took both singles and doubles again. Tennis was coached by Mr. Krumsiek, our principal, and there were three lettermen, Dale Schneider, Evans Reilly and James Phelan.

TIGER STAFF

The Tiger

The Editors of the Tiger realize that the responsibility of its makers increase with each succeeding issue. So high a standard has been set by the volumes already published that we hesitate to invite comparison. It is our hope, however, that Volume 15 will be considered worthy of our school and may take its place with previous issues without undue apology.

The staff wishes to express its sincere appreciation to Miss Isabel Wood. She has given not only a great deal of her time but many suggestions for the improvement of this issue of the Tiger. We wish to thank Mr. Gunn for his help in planning for the financing and sales of the Tiger. And, lastly, we wish to thank the typists, Marion Nash, Margaret Moorman and Wilma Gerfen, for the work they have spent in typing all of this material. This is your annual; we hope it meets with your approval.

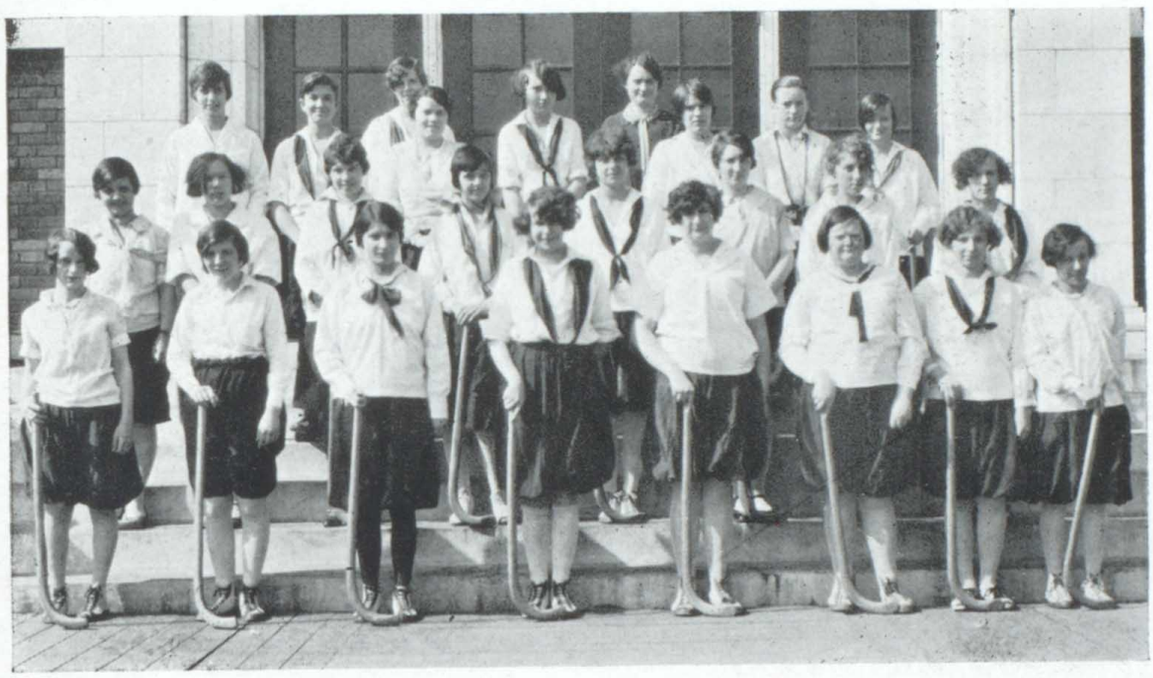
The Tigerette

Under the direction of Miss Megowen articles were first written by Freshmen for the Intelligencer. This soon developed a desire for a school paper, and with the addition of some upper classmen a staff was elected and the first issue published. Great difficulty was encountered in selecting a name, but *The Tigerette* was finally chosen because of its association with The Tiger. Several boys were added to the staff which, until then, had consisted only of girls, and the work went on. At the beginning of the new semester a different staff and reporters, elected by their classes, began publishing the paper. It is published bi-monthly, and although it has not been a great success financially, we hope to continue it next year.

The staff consists of the following:

MARGARET MOORMAN - - - - - - Editor-in-Chief
JOSEPHINE BURROUGHS - - - - Associate Editor
BEN RICHARDS - - - - - - - - Business Manager
MELVIN HILDENSTEIN - Assistant Business Manager
MISS MEGOWEN - - - - - - - - Faculty Advisor



The Hockey Club

The Hockey Club was organized last fall under the direction of Miss Mary Helen Walton. There are about twenty-five girls in the club. Ruth Hill and Jessie Denham were chosen captains. The club had very few activities during the winter, but they will hold a tournament during the late spring.

The following girls are members:

Corrine Faust
Bernice Hill
Jessie Denham
Suzanne Armstrong
Fern Dauderman
Frances Gerteis
Florence Gerteis

Volley Ball

This is the second successive year that the High School has had a Girls' Volley Ball Team. Under the direction of the coach, Miss Swanson, a great interest was taken in the sport and several tournament games were played. Three teams were organized last fall, which shows an increasing interest in the game.

The teams are:

Freshmen—	Sophomores—	Juniors—
Josephine McKee, Captain	Edna Fensterman, Captain	Lonita Rosenthal, Captain
Hilma Anderson	Dorene Braundmeier	Helen Ax
Elizabeth Hofmeier	Elizabeth Burns	Esther Gehring
Johannah Merkel	Angeline Dicarlo	Bernice Lee

Velma Ward	Gertrude Owens	Lucille Ortgier
	Rose Provaznik	Florence Otto
		Gladys Reichert

Hiking Club

The Hiking Club is composed of a group of twenty-five girls under the direction of Miss Oliver. Every Wednesday afternoon after school these girls take hikes for recreation and exercise. The club meets in Miss Oliver's room for a short business meeting, chooses a place to hike, and then walks for several miles.

The officers and members are as follows:

Glee Club

The Glee Club is an organization of the girls of E. H. S., formed to stimulate interest in music. The girls are divided into three groups: soprano, second soprano and alto. They meet twice a week and are under the direction of Miss Bridges.

At some of our "pep" meetings this year the Glee Club helped out by taking charge of the singing. These girls also put on the operetta, "Miss Cherryblossom", which was such a success.

Orchestra

The orchestra was under the able direction of Miss Jean Bridges again this year and furnished the music on a number of different occasions. It played for the operetta, the Junior and Senior plays and for a special meeting of the Knights of Pythias.

The members of the orchestra are:

Josephine Burroughs
Leslie Marks
Nelson Hodina
Irene Barthi
Elsie Feldworth
Arthur Sievers

Charles Richards
Bessie Provaznik
Ruth Giese
Rose Provaznik
Roland Spitze

Miss Cherryblossom

"Miss Cherryblossom", an operetta in three acts, was presented on the evening of March 2, at the Junior High Auditorium, by the High School Glee Club. It was well attended by an appreciative audience.

The setting, that of a Japanese Tea Garden, had a background of lattice-work covered with pink and orchid flowers. Cherryblossoms, Japanese lanterns, screens, tapestries and incense all helped to give the Oriental atmosphere necessary to the scene.

The plot of the play centers around Miss Cherryblossom, supposedly the daughter of Kokemo, proprietor of the Tea House. Act I opens with a song and dance by Cherry and the Geisha Girls, all dressed in the Japanese fashion with kimonas, chrysenthemums and fans. At the end of the song, the Americans, guests on the yacht of Mr. Worthington, a New York broker, are heard approaching and Kokemo and the girls prepare to receive them. The plot develops as John Smith, one of the guests, falls in love with Cherry. His suit is rejected by Kokemo, who wishes her to marry Togo, the great Japanese politician. Cherry and Jack plan to elope ,but are caught in the attempt and Jack is placed in the dungeon. In the meantime, it is learned that Cherry is really an American girl, whose parents died in her infancy. Mr. Worthington, her father's secretary, was given the care of the child and her property. He left her with Kokemo, went back to America and used the property for his own ends. Kokemo brought the child up as his own daughter, not telling her of her parentage. When Cherry finally discovers who her parents were, and Kokemo finds out that not only is Cherry to recover her money, but that Jack has a fortune too, consent for the marriage is given and all ends happily.

A side plot with the addition of songs and dances is furnished by the pursuit of Jessica, Worthington's niece, by Harry, a pal of Jack's. He wins her hand and the play closes with everyone but Togo well satisfied.

The cast was as follows:

Cherry - - - - - - - - - - - - - Helen Morgan
Jack - - - - - - - - - - - - - Robert Williamson
Kokemo - - - - - - - - - - - - - George Meyer
Togo - - - - - - - - - - - - - Kenneth Doeblin
Jessica - - - - - - - - - - - Josephine Burroughs
Harry - - - - - - - - - - - - Bruce Crosman
Worthington - - - - - - - - Melvin Hildenstein
James Young, Worthington's secretary - - Harold Sparks

There were also choruses of Americans and Geisha Girls.

Junior Play

The Junior Play, "Once There Was a Princess", was given at the Wildey Theatre March 27, under the direction of Miss Megowen. The play centers around Ellen Guthrie, a girl from a small Indiana town, who has married an Italian prince. She has become a figure of romance in the village since her husband has died, after spending all her money. She returns and, since they are expecting a very grand person, she is mistaken for the sewing woman. She realizes what a blow her simplicity would be to them as she sits among them sewing and does not know what she can do. Later her childhood sweetheart, Phil, recognizes her, as does Joe. She is forced to leave by Aunt Meta, who is the town "busy-body," but in the end manages to return and give every one his hour of romance.

Everyone played his part very well and there were no special "stars."

Alden P. Ricks	Robert Williamson
Florence Ricks	Helen Morgan
Cecil Bernhard	George Meyer
Mr. Singleton	Eldor Cassens
Capt. Matt Peasley	Marvin Baird
Aunt Lucy	Mary Ballweg

SCENES

Act I—Cappy Ricks' office, California Street, San Francisco.

Act II—Six weeks later, "Sea Look", Cappy Ricks' home overlooking the Pacific Ocean, just outside San Francisco.

Act III—One week later, in Cappy Ricks' office, same as Act I.

This play is a comedy of three acts with Cappy Ricks as the central figure. He is a weather-beaten old sea-dog, very gruff, but under the rough exterior he possesses a heart of gold. He is devoted to his daughter, Florence Ricks, a pretty young girl just home from college. His obsession is Matt Peasley, a young man who is first mate on one of his vessels. Ricks ships Captain Peterson, a rough Swede, off to Peasley, with instructions to cure Matt of his alleged "freshness". When the ship returns from the voyage, Cappy finds Matt in command, after having beaten the surly Captain Peterson. From that time on Matt proceeds to out-general Cappy, even to winning the hand of Florry Ricks, who he thinks is Ricks' bookkeeper. Cecil Bernhard, a young Englishman, whose father sent him to Ricks to learn the shipping business, affords much comedy in his mixups. He falls in love with Ellen Murray, Ricks' private secretary, who has once been in a musical comedy, but who is now working to support her mother and a smaller sister. John Skinner, Ricks' general manager, gets Cappy out of several embarrassing positions, and is the "goat" of the office. Aunt Lucy is a lovable old maid, who adds human interest to the play.

The play ends happily with Matt and Florence, Cecil and Ellen united with the the blessing of Ricks and Cecil's father.

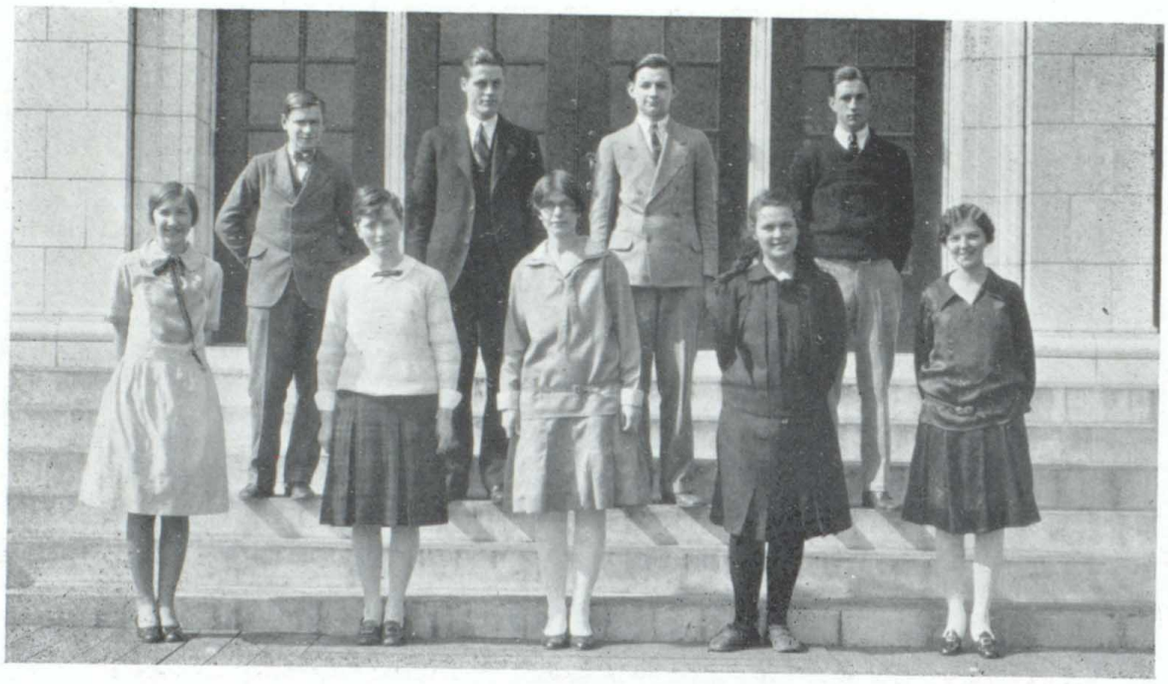
MISS GEWE - - - - - - - - - - - - - Captain
JOSEPHINE BURROUGHS - - - - - - - President
VERNA CUNNINGHAM - - - - - - - - Secretary
MURIEL SCHMOLLINGER - - - - - - Treasurer

"On my honor I will try to do my duty to God and my country, help other people at all times, and obey the scout laws."

Such is the promise all girls must take before they may become full-pledged scouts. That is the scout's code of honor, and under the splendid guidance of Miss Gewe the Girl Scouts of Edwardsville have tried to carry it out. During the year they have co-operated with the Humane Society by furnishing clothing and other necessities and helping distribute their baskets at Christmas. They have tried at each meeting to impress on the minds of the scouts the value of their laws with talks by the different members of the troop.

It is hoped that they have created such a spirit of helpfulness that anyone in trouble will come to them for help. They will render it gladly and willingly, for they are always prepared to do their duty.



The Debating Club

As students of E. H. S., we believe that we need balanced physical, moral and mental training. Our physical training, with the help of Mr. Blodget and our new gym, is progressing rapidly. But with reference to the affairs of our country we admit a decided lack of information. In order that we might be versed in these affairs a debate team has been organized. The team is to debate with Granite City, Greenville and Hillsboro.

The officers and members are as follows:

HELEN ARNDT - - - - - - - - - - - President
MARY BALLWEG - - - - - - - - - - - Secretary

Abigail Ann Eaton
Gertrude Stieren
Laura Jacobs
Robert Williamson
Hugh Wisher

Girls' Council

The Girls' Council is composed of three girls from each class and is under the supervision of Miss Benner. Its purpose is to encourage scholastic achievement, to provide social activities, to foster unity, and to take responsibility for the general welfare of the girls of E. H. S. The splendid way in which the girls' activities are managed shows that the council succeeds in fulfilling its purposes.

It is composed of the following members:

MARION NASH - - - - - - - - - - - President
KATHRYN WISHER - - - - - - - - - - Secretary
NIGEL VOSS - - - - - - - - - - - - Treasurer

Parties

SENIOR PARTY

The Seniors opened the society season of E. H. S. by having a party October 22 in the Junior High Gym.

This party was called an Aviation Meet and games were played with this plan in mind. The gloom chasers were divided into two groups for the games. The first game was on ground work. Ed. Ahrens took the prize for being quicker and more graceful than his opponents in hopping. The second was on control, and our president, Charlie Gerhardt, proved he had better facial control than any of his opponents. The third was on balance and Ruth Whiteside took this by beating her competitors in walking across the floor with an apple on her head. The last two stunts were air races in which Margaret Moorman said the most words in a minute, and Mildred Phelan blew a balloon across the room first.

After prizes were awarded, refreshments of soda, ice cream and cookies were served.

After this, the Melody Makers began to produce their music, and dancing filled the bill for the rest of the evening.

HALLOWE'EN PARTY

On the night of October 27th the High School held its annual Hallowe'en party. The Junior High Gym was decorated to suit the occasion, with black witches, corn stalks, pumpkins, cats, and orange and black streamers. These decorations made the gym rather dark and added much to the spirit of the things by making them seem "spooky".

Mr. Ford led the grand march, which paraded past the judges stand several times before the winners could be picked out for the prizes. Finally the judges decided that the best group prize was tied for by Mr. Krumsiek and Mr. Blodget, as prisoners, and Leo Fink, as guard, and by Miss Megowen and Lucille Miller, dressed as scarecrows. The prize for the best girl character went to Alma Goff, who was dressed as a Fiji Islander. Burrell Gilbert, as a Chinaman, walked off with the award for the best boy character. Jack Darr, as a Spaniard, and Muriel Schmollinger, in a costume of white oilcloth, won the prize for the prettiest boy's and prettiest girl's costumes, respectively.

After refreshments, the rest of the evening was spent in dancing to the strains furnished by the E. H. S. Melody Makers.

Parties

JUNIOR PARTY

On January 19 the Juniors held a party in the Junior High Gym. The Juniors showed their class loyalty and also their good class spirit by their attendance.

Every pupil was given a number when he came in and all were divided into groups by these numbers to play games. The first game played had a twenty-five yard sprint in it and one of the main features of the evening was Mr. Krumsiek's warm-up before he ran.

After the games, a comic automobile and its occupants kept the spectators in a roar of laughter for about five minutes. Following this, the tops of soda bottles were pulled off and the good food began to disappear. The remainder of the evening was spent in dancing, with music furnished by E. H. S. Melody Makers.

JUNIOR-SENIOR PARTY

Since the Juniors and Seniors had both had successful parties, they decided to try their luck together. So on Saturday, February 18th, they held a party on the first, second and third floors of the High School. This party was different from other parties in that it was the first one to be held in the High School and that it was an overall party.

It was a combination St. Valentine and George Washington party, and as a reminder of each of these worthies, valentines were brought and a game called "George Washington" was played.

To start the party, all the merrymakers were called into a room and the Valentines distributed. Then several readings were given, after which the games were played. The boy's prize was won by Lennie Berleman and the girl's prize by Iola Henry. Refreshments of cherry pie a la mode and soda were served and the rest of the evening was spent in dancing.

GIRLS' PARTY

Since there was a number of prep girls wandering around the hall in an aimless fashion having a hard time getting acquainted, the Girls' Council and Miss Benner decided to have a party to help them become acquainted. Therefore, on February 23rd, a girls' party was held in the Junior High Gym. A good crowd was there and the girls all worked together to have a good time. The old game of bean bag was played and some promising prospects for this game were found. After the games, dancing as usual commenced and the rest of the evening was spent in this fashion, with music furnished by E. H. S. Melody Makers. Refreshments, consisting of fruit jello, cookies and soda were served. Every one had such an enjoyable time that many were said to have remarked that more parties on this order should be given.

Parties

FRESHMAN PARTY

The Freshies celebrated their entrance into High School, Friday, April 27. About half the class turned out, which is a very good attendance for a Freshman party. The exciting game of "Cootie" was played, and even our very dignified (?) teachers entered into the spirit of the occasion, and all had a very good time. Refreshments of ice cream, cake, and pop were served and dancing occupied the rest of the evening. Music was furnished by the E. H. S. Melody Makers.

ATHLETIC ASSOCIATION

To help our struggling Athletic Association out of the hole, a party was held in the Junior High Gym. A good portion of the school turned out for this party, and the gym was well filled. First the merry-makers played ring on the string. After a half hour of chasing said rings the intriguing game of gossip was played. Next the basketball letters were awarded to the lettermen, an appropriate speech by our Coach going along with each letter. After this, the roof of the gym was lifted off by the lusty voices of the mob singing school songs. Refreshments of ice cream and pop were served, and the rest of the evening was spent in dancing to the strains of the E. H. S. Melody Makers music.

GIRLS' DINNER

The girls held their Annual Dinner in the High School on April 28. There were sixteen tables, with two hostesses to a table. Each hostess invited five girls. The hall was very prettily decorated with orchid and yellow streamers on the lights. Favors also carried out the same combination. The object of the dinner was to install the new members of the council. The toastmistress was Abigail Ann Eaton and the subject of the toasts was Tennis. The program is as follows:

Installation of New Members - - - - - Marion Nash
To the Ball - - - - - - - - - - - - - - Ruth Fruit

French Club

The French Club was organized three years ago and has been successful in promoting more interest in the French language. This club is composed of second and first year French students. At these meetings lives of great Frenchmen are studied. All conversation is in French; a fine of one cent is imposed on each who violates this rule. This club stimulates interest in the study of French.

The following are members:

Josephine Burroughs
Muriel Schmollinger
Ray Foster
Hugh Wisher
Walter Guller
Abigail Ann Eaton
Laura Jacobs
Margaret Moorman
George Meyer
Georgetta Worden
Helen Morgan
Margaret Dyer
Robert Mindrup
Artrude Westerheide

HONOR ROLL

The Honor Roll plan was continued this year, and to capture the honor of having his name appear on the roll a student must make 90 or above in all his subjects. It requires hard work to make these grades, and much credit is due to the honor students. It means that they have done their work conscientiously and faithfully throughout the semester, and their efforts reflect credit upon themselves and the school.

At the end of the first semester the Freshmen class led the list with the largest number of students on the Honor Roll. The other classes are striving not to be so far outdone this semester, and also to lengthen the roll.

HONOR PINS

This High School, like a good many others, makes it a custom to award Honor Pins to those students who meet certain requirements. The following are the qualifications which determine the student's right to the gift: he must do good work in High School, fail in no subject and have forty-five points above the average of 85 per cent. Failure in Freshman year will not debar a student for it if he makes fifty-five points above the average 85 per cent. Failure in any other year will debar him.

This plan tends to promote good scholarship and to encourage the students to work harder than they would otherwise. Working harder leads to a better average at the end of the High School course, and, if the average is high enough, no entrance exams have to be taken at college. These facts should encourage each student to try to obtain an Honor Pin, not just for the honor of receiving one, but because it shows hard work on the receiver's part.

The following will receive Honor Pins this year:

Gilbert Buhrman
Josephine Elik
Charles Gerhardt
Cecelia Hellrung
Marguerite Henry
Phoebe Mayer
George Meyer
Margaret Moorman
Mildred Phelan
Arna Rasplica
Hadley Sager
Gertrude Stieren
Robert Williamson

CALENDAR

SEPTEMBER

6 School opens with a bang.
We notice the Seniors seemed duly impressed with the responsibility of their positions, while the Freshies walk in fear and trembling through the halls.

7-16 Is it hot? Well, I guess. 100 degrees in shade. What do we care?
Half-day school.

20 What is all the glitter in the halls? Oh! the Senior pins and rings are here.

21 Football practice is progressing rapidly in spite of the heat.

22 Heavens, what is the noise? Only the orchestra!

26 Mr. Smith when seating his assembly alphabetically said, "If there is anyone absent, will he please raise his hand?"

27 E. H. S.'s first banking.
What's the matter, Edwardsville? Too many ice-cream cones?

28 L. Berleman shows some marvelous historical knowledge; when asked who Sir Walter Raleigh was, he said, "He was the man who signed the U. S. Constitution."

29 Election of class officers.
Election of Tiger Staff.
Tornado hit St. Louis, causing great damage.

30 We all wondered why the editor's head was a trifle higher today. Sh! it's his birthday.

OCTOBER

1 E. H. S. goes to Staunton to try her luck, and comes back with a score of 47-0. Too bad, Edwardsville.

3 Epidemic of writer's cramp sweeping through school—first book report.

4 Election of A. A. officers.

5 They say the Senior class president enjoys the picture show thoroughly, even though the lights fail.

6 Looks as if there might be quite a vacancy in school. A nurse gives a talk to all the girls on the opportunities in the field of nursing.

7 Meeting of the Tiger Staff to take an inventory.

8 The Tigers certainly gave Litchfield a run for their victory, 19-18.

10 Bert appears with a patched-up nose. Bert says you should see the other fellow.

11 Hockey practice seems to be going in full swing. Aside from bruised shins, there are no serious casualties as yet.

12 Miss Martin's clock has a lazy spell.

15 E. H. S. goes over to trim Wood River. Rah! 6-0.

17 The Girl Scouts have their first meeting. They decide to make money by selling candy at the lunch hour.

18 Seniors in best attire have their pictures taken. Let's hope the camera stands the strain.

19 Hiking Club is organized with quite a large membership.

22 The Senior party was enjoyed immensely by those who attended.
The Tigers go to Jerseyville and trim them 43-6.

26 Livingston came down for a practice game with E. H. S. We think that perhaps Livingston knows a little more about football now.

A press club has been organized which hopes in time to establish another school paper.

27 Quite a few leave to see Illinois beat Michigan at Illini Homecoming.

29 Who said, "I told you so?" E. St. Louis 12, E. H. S. 2.

31 Several of the Seniors are caught in the act of using soap on windows instead of on their faces.

NOVEMBER

1 Strenuous Hallowe'en pranks and late hours show marked effect on students.

2 Miss Walton creates quite a sensation by skidding down the board walk on one knee.

3 My, the library has become popular; stacks of new books have arrived.

4 Ask the poor teachers if there was any work done this afternoon—even if we didn't get to go to Alton with them, the Tigers brought home the bacon with a score of 7-0.

7 Annual affair—library privileges tightened up on.

9 Wonder what two of the Tiger Staff were doing in the office this morning? Ask them; they ought to know now, if they didn't before.

10 Rah! ! ! No school tomorrow.

11 Guess we didn't take the Kahoks down a peg or two, 8-0.

14 Junior Class vice president has very bad accident while riding on running board of car.

15 Mr. Krumsiek gives some announcements on parking. ? ?

16 The Tigers go over and trim Belleville 20-13.

17 We wonder what makes Mr. Smith go to sleep in his seventh-hour assembly.

18 Mr. Krumsiek goes to Champaign meeting.

21 Music in the air—only it's in the halls.

22 Debates cause much disturbance in Economics class.

23 Quite a few of E. H. S. alumni back to look us over.

24 The Tigers play their best game of the season with a record-breaking crowd to watch them tie Granite 6-6.

28 We come back stuffed full of turkey, and oh! how hard it is to get back to work.

29 Mr. Smith talks thrift to head cashiers of the school.

DECEMBER

1 Economics classes show they can argue pretty well, even if the wrong side did win.

2 The new school paper has been named the "Tigerette" and we are all waiting patiently for the first issue.

6 Big pep meeting. Beat Livingston! And did we? Well, I guess, 28-12.

7 Miss Wood's room was certainly popular this noon. Reason? The Senior pictures for the Tiger have arrived.

8 Brr! It's cold. We have to vacate west side of building.

9 First issue of new school paper. Dear me, it's sarcastic.

12 Ed. Snajdr was chosen captain-elect of 1928 football team.

13 The new members of the French Club were initiated.

14 The Senior pictures are here. Who says the Class of '28 isn't the best-looking class to graduate?

16 The teachers have a community meeting at Junior High.

19 Some people say the ice at the Leclaire lake is fine for (?) skating.

21 The school is flooded with the alumni who have come back to gloat over seeing us in deep study.

22 The Christmas issue of the school paper is here.

23 'Rah! Visions of holidays before us.

JANUARY

3 Oh, dear, back again. Did somebody ask if we are glad? Kill 'em!

4 Whoopee, look at our new football sweaters. Aren't they good looking?

5 School has a skating party at the lake.
Goodness, we didn't know Mr. Smith could skate like that.

6 Some more holidays—Ray!

9 Muriel takes a slide for the benefit of the seventh hour assembly.

10 Tigers beat Granite, 16-15.

11 Lost: One sweet melodious voice—finder please return to Miss Martin.

12 Ram, our "fashion plate", steps out in some spats—'nuf said.

13 We find we have a lot of musical talent in school. They "performed" for the public at the Wildey this afternoon.

17 After the speech made by Mr. Ford at our pep meeting we sent Jerseyville home with the little end of 49-16. Why can't we have Mr. Ford before every game?

18 We hear one of our teachers is to leave us at the mid-year. We are sorry to see Miss Dickson leave.

19 The Juniors put over a big party which was quite a success.

20 The Tigers put up a good game, but the Kahoks were too fast, 32-22.

23 Some teachers do give the "nicest longest" assignments before tests. Aren't they cruel?

24 Dear me—it's so dark you can almost imagine you're going to "night school".

25-27 Tests—oh, don't we wish we had studied harder?

31 We all came back to learn our fates. Oh, dear, aren't some teacher's cruel?

Over Woolworth Store

FEBRUARY

1 Goodness sakes, E. H. S. has another good-looking teacher added to its list, Miss Weigel, we hope you'll like our school.

2 The school has decided to give an operetta called "Miss Cherryblossom". We hope it's a "howling" success.

3 Wood River goes home with the light end of the score, 27-29. Rah! for the Tigers.

6 Everybody goes around school with a gloomy countenance 'cause Bert is leaving us.

7 Wedding bells for Ruby Kennedy.

8 Bob W. gets generous and gives the library a copy of Lindbergh's "We".

9 Mr. Smith's birthday today. "Zat why the flags are out?"

10 Operetta practice starts in earnest. Miss Bridges may be little, but, oh, my!

14 This is the chance for all bashful little Seniors to get in good with their Cicero, English and French teachers. Doesn't seem to do much good.

15 French Club have their pictures taken—my, such a strain on the camera.

16 These dreadful intelligence tests that are floating around school. I wonder whether they think we need 'em.

17 Tigers not so lucky today. Almost, not quite, 15-13.

20 Wonder why George and Kenneth are giving Mr. Smith such cool looks.

23 The girls of E. H. S. entertain the preps and "a good time was had by all."

24 Of course, ALL bright people are born in February.
Tigers are beaten by Kahoks, 21-17.

29 This is your chance, girls, take your choice—with SOME exceptions.

Give him the backing of a Bank Account— and the world will treat him better!

MARCH

1 Home Economic classes give demonstration before the Monday Club.

2 Glee Club gives the operetta, "Miss Cherryblossom," at Junior High.

5 A man from Illinois College speaks to Seniors.

7 Track practice starts. Wonder if that could have anything to do with the girls staying after school so much?

8-9-10 Collinsville walks away with District Tournament.

12 George Meyer takes a beautiful tumble for some one's benefit. We haven't been able to find out just who it was.

13 Mr. Krumsiek gives some announcements in lower hall. My goodness, but the teachers are on the warpath.

14 The Juniors are practicing hard on their play. They have decided to give "Once There Was a Princess."

15 Goodness me, would you believe it? Some Sophomores came to school on roller skates.

16 Sophomores have one of the nicest parties of the year. Everyone was decorated with little green bow-ties.

19 Bert has decided at last to come out for track instead of taking a mile run out St. Louis street.

20 My goodness, this lovely weather is entirely too nice to slave in school.

21 Georgetta is one of the many out with grippe. Seems to be pretty catching. Wonder if Chid'll get it, too.

26 Chemistry classes go to Granite City. The weather man isn't any too helpful.

27 Br-r-r-r. Where are our overcoats? This fickle weather!

28 Track team doesn't seem to mind the wind or weather. The aspirants are merrily chasing one another around the track.

?? What Next ??

Will Mother continue to make the bread for you, and Dad furnish the dough"? Will the old codger who declared he was "agin the public schools, because a kid who learned reading, 'riting and 'rithmetic was no good for work" become more confirmed in his belief because of you?

Which habit will you have—the habit of having money, or the habit of not having it? If you haven't the habit of having it while young, how can you hope to know anything about saving money when you are grown? Better be "caught with the goods" that your own brain and muscle have earned for you than to be continually wasting the "hand out" from Dad and Mom.

Get fired with the desire to have a Bank Account. Scatter your loose change on our counter in any amount. Keep it up and you will have that glad-to-be-alive feeling, and less reason for the regrets as expressed by David Harum—"If I had my life to live over again, knowin' what I do, I'd do diff'rent in a number o' ways."

Every detail is clear to us, and we appreciate the position of those who do not know. Come in.

APRIL

2 April showers is right—where are the spring flowers?

3 Seniors are practicing full force on their play. They decided to give "Cappy Ricks," a three-act comedy.

5 Preliminaries are run for tomorrow's big event.

6 Ah! Today is the class track meet. Have to finish it Monday 'cause of rain.

9 Oh dear! Isn't it too disgusting? Juniors win the class track meet.

10 Miss Walton goes home with an attack of appendicitis.

11 Miss Martin's room is having its share of excitement since the new gym is being built.

12 Athletic Association has party in gym. Everyone seems to have had a thrilling time. Ask Charlotte if she wasn't in her heaven during the ladies' tag dance.

13 Friday, thirteenth, black cats and everything dreadful.
Teachers can't expect too much today.

16 Track meet with Collinsville. Goodness me, what a score. Wonder who the good-looking referee was that Miss Wood was talking to so enthusiastically.

17 Tennis teams go to Alton. Too bad.

18 Everyone is cramming for these six weeks tests. Oh, dear! aren't teachers cruel.

19 The little Freshmen have a party. Wonder if they'll be able to come to school tomorrow.

20 Tiger goes to press.
Won't be long now!

110 St. Louis St.

There was a young lady of Cork,
Whose pa made a fortune in pork.
He bought for his daughter
A tutor who taught her
To eat green peas with a fork.
He stood in the street at midnight
As the auto homeward sped.
He was very much struck by the
moonlight,
But that is not why he's dead.
He did not hear the traffic cop,
But raced ahead pell-mell.
So the doctor told the sexton
And the sexton tolled the bell.

The stingiest man we ever heard of made the clothes line out of barbed wire so the birds couldn't sit down.

⁂ ⁂ ⁂

Mr. Krumsiek (viewing displays at a Dallas Convention): "My, these school displays are magnificent. These southern educators are not like us."

Mr. Blodget: "Brainy, aren't they?"

⁂ ⁂ ⁂

For home work the class had been told to write about "Mother". Next day when the exercises were being collected the teacher found two of the compositions, the work of two brothers, exactly alike.

He said: "How is it that you wrote just what your brother did?"

"Well, sir," said Jerome, "you see it's the same mother."

⁂ ⁂ ⁂

Mother: "Georgetta, what time did Charles leave last night?"

Georgetta: "Oh, about half past nine."

Mother: "Now, don't tell me that. I heard him say when he left, 'Now just one, Georgetta'."

⁂ ⁂ ⁂

Judd: "Cassens, I see that you have given up trying to teach Iola to drive."

Eddie: "Yes, we had an accident. I told her to release her clutch and she let go of the steering wheel."

Miss Gewe was still rather new at driving a car and a little bit confused in traffic. Going down Broadway she forgot to stop soon enough at the signal and shot out into the middle of the street.

Pompously the traffic officer bore down upon her.

"Didn't you see me hold up my hand?" he shouted fiercely.

"Yes," she gasped.

"Didn't you know that when I held up my hand it meant 'stop'?"

"No, sir; I'm a just a school teacher," she said, "and when you held up your hand I thought you wanted to ask me a question."

⁂ ⁂ ⁂

Sunday School Superintendent: "What gushed forth when Moses smote the rock in the wilderness?"

Track '28

At the time The Tiger goes to press the 1928 track season has been a great success. The Bengals have outdone their rivals the Kahoks from Collinsville and East Side's Packers in dual meets and defeated Wood River, Granite, and Alton in the annual Quadrangular meet. Prospects of succeeding ourselves as Conference champs seems very probable unless a "dark horse" appears. This season's results thus far are as follows:

Collinsville (Here)

Our first meet was a Dual meet with the Collinsville "Tribe." We followed last year's victory with another victory of an almost identical score. The Kahoks were able to win only one first place; that was in the javelin. The following E. H. S. men won firsts: 100, Heidinger; 220, Young; 440, Young; 880, Sooy; mile, Schaefer; shot, Sharp; pole vault, E. Cassens; high jump, Snajdr; hurdles, Williamson; discus, Young; broad jump, Young. The Tiger's relay team, consisting of Heidinger, A. Cassens, Ahrens and Young, also won first place. The final score was 79 to 34.

East St. Louis (Here)

The following Saturday the Tigers were scheduled to test their metal with East Side's aggregation. Their gang proved to be inferior to the speedy Tiger trotters and their heavers found it impossible to outdistance our weight men. Their captain, however, seemed to be somewhat aerially inclined for he won the pole vault and hurdles. He also won the broad jump, nosing out Young, the Tiger captain. The outstanding feat of the afternoon was the shot putting of Isaac Sharp of the Tigers, who tossed the weighty pill nearly out of existence in smashing the Conference record by 2 feet 4 inches. Eddie Snajdr won the javelin and tied with Marburger and an East Sider for first in the high jump. Captain Young, as usual, led the field in the 220, 440, and discus. Schaefer was the victor in the "bunion killer," better known as the mile, and our relay team busted the tape in that event. The final score was 70 to 42.

McKendree Interscholastic (Lebanon)

The Tigers again this year attended the annual Interscholastic Meet held at McKendree College and this year placed fifth out of an entry list of about thirty schools. They hung up a total of ten points by the time the final tape had been bisected. These points were won in the quarter mile, shot put and the mile and distance medley relays. Young continued his past performance by easily out-stepping his rivals in the quarter mile. Sharp, who was not quite at top form, took fourth place in the shot put. Our four quarter milers took second honor in the mile relay and fourth place was taken by the distance medley team.

Quadrangular Meet (Here)

By defeating the Oilers, Mountaineers, and Tiny Tuffs from Wood River, Alton and Granite, respectively, the Tigers kept up their record of never having lost a meet on their own cinder speed-way. The Tigers in winning the meet won more first places and more points than the other three teams combined. They won seven first places, Wood River and Granite each having aces in three events. Alton was lost in the rush. The Tigers ran up a grand total of 59 points, the Oilers were second in line, ringing up 26, while the Bozarth crew registered 23 and Alton took home the 5 remaining points. Bert was high-point man in the meet, winning three firsts and a second place. Sharp again won the shot and Ed Snajdr and Bob Williamson came through with flying colors to break the local school records in the javelin and low hurdles, respectively. The relay team also took first place.
